KÄNGABOX®Tower GN

The thermo box for catering

Front opening with tightly-closing sliding door, insert grooves for Gastro-norm containers and locking feature for stacking – the KÄNGABOX®Tower GN is the safe and convenient front loader for catering transport. Seamlessly manufactured from a single piece and with an impact- and scratch-proof surface, the KÄNGABOX®Tower GN has a long service life. Available in 2 standard and 8 special colours and in 2 different sizes. With 8 insert grooves spaced 32 or 61 mm apart. Special edition of GN 64 with 4 insert grooves on request.

- Particularly easy to clean
- High insulating resistance when keeping food hot or cold
- Rounded corners for safe transport
- Ergonomically-shaped handles
- Ultra-light
- Impact- and scratch-proof surface
- 100% through-dyed material
- Dishwasher-safe to 80 °C
- Ideal for supporting supply chains to HACCP standards
- 1 smooth and 1 dimpled label field
